Your new-look quarterly member newsletter

Welcome to **Aspire...your super update**. This quarterly member newsletter will replace CEO online. We have redesigned this publication to make it more informative and easier to read.

We will continue to bring you the latest scheme news to keep you informed of developments that may affect your super as well as industry focused news.

Our Investment update section will now link you to the latest monthly performance results online.

We welcome your **feedback** about the new content and layout, and would like to know what you would like to see in your quarterly newsletter.

Current topics

Investment update

For the latest news about the PSS Fund performance visit the PSS monthly **investment performance**.

New options for PSS members coming soon

The government has introduced two new options for PSS members. From 1 July 2008 you will have the option to:

- > contribute to your super on a voluntary basis; and
- > access choice of fund.

These options will simply join the list of standard PSS options and you won't need to make a decision immediately.

We will be sending our detailed information to all contributing members before 1 July 2008 and we will continue to keep you informed through this publication.

Update on manual Annual Member Statements

Manual Annual Member Statements are currently being sent out. All other Annual Member Statements have been distributed and are also available to view online at Member Services Online.

You will need an Access Number to use this service. If you do not have an Access Number, call us now on 1300 000 377 and we can provide you with an Access Number over the phone.

At Work for You workshop dates now online

Free super workshop dates for 2008 are now available online. Our presenters will be travelling to capital cities and regional centres around Australia talking to members about:

- > retirement goals
- > setting your super up for success
- > getting the most from your fund
- > understanding your options
- > keeping your super on track
- > getting the right information
- > how we at ARIA can help you.

Book now at www.pss.gov.au and click on the super workshop banner.

Lost super may soon rollover automatically

The Australian Tax Office's Lost Members Register has close to 6.1 million accounts with a total balance approaching \$10 billion. The Federal Government is currently looking at better ways to reunite people with their lost super.

One option being considered is an automatic rollover system, which would rollover all lost superannuation accounts using Tax File Numbers to match super accounts to people, and then roll the amount into the last active account.

While these options are being considered, read on to learn how you can take action to make sure you don't become a lost member.

Don't become a lost member

If you think you may have lost super, you can track it down via the **ATO website** and consolidate it into your PSS super account.

Once you have found your other fund amounts, simply send a completed **Application to pay in a transfer amount** form to us to transfer these funds across to the PSS.

To prevent future issues with your super, here are a few tips:

- > provide us with your Tax File Number
- > keep us informed of your current address
- > if you leave government employment keep us informed of your current details so we can keep in touch regarding your preserved benefit.
